ECONOMIC RESEARCH SERVICE (ERS)

1301 New York Ave., NW, Washington, DC 20005-4788

The Economic Research Service provides economic and other social science information and analysis for public and private decisions on agriculture, food, natural resources, and rural America. A program of economic and social science research, analysis, and data dissemination supports decisions by the Executive Branch; the U.S. Congress; environmental, consumer and public interest groups, including farm and industry groups; and the general public.

WORLD AGRICULTURAL OUTLOOK BOARD (WAOB)

Room 5143 S. Bldg., USDA, Washington DC 20250-3800

The World Agricultural Outlook Board, located in the Office of the Chief Economist, approves USDA's outlook and situation forecasts and issues supply and demand estimates. The Board also coordinates USDA's weather, climate and remote sensing activities. With the U.S. Department of Commerce, it operates a Joint Agricultural Weather Facility to monitor weather's impact on U.S. and world crops.

NATIONAL AGRICULTURAL STATISTICS SERVICE (NASS)

Room 5829 S. Bldg., USDA, Washington, DC 20250-3800

The National Agricultural Statistics Service collects data on crops, livestock, poultry, dairy, chemical use, prices, and labor, and publishes the official USDA State and national estimates through its Agricultural Statistics Board. There are nearly 400 reports annually covering domestic agriculture, such as estimates of production, stocks, inventories, prices, disposition, utilization, farm numbers and land, and other factors. The 45 field offices serve all States and collect and publish local information on these topics.

ERS-NASS Electronic Information

ERS and NASS on the World Wide Web

ERS and NASS have home pages on the World Wide Web that provide easy access to the wide range of information and data produced by both agencies.

NASS URL--<http://www.usda.gov/nass/>

ERS URL--<http://www.econ.ag.gov/>

ERS-NASS Periodicals and Data on the Worldwide Internet

ERS-NASS data products and selected periodicals are available on the worldwide Internet. Through a cooperative project with Cornell University, the Albert R. Mann Library distributes **ERS, NASS, and WAOB periodicals and data** through a Gopher server and anonymous FTP. If you're an Internet user, over 400 reports annually and over 7,500 data files are available free of charge.

All **NASS reports, ERS situation and outlook reports (or their summaries), and WAOB's *World Agricultural Supply and Demand Estimates*** are available electronically within three hours of release.

Access the data or reports using *one* of the following methods:

1. World Wide Web URL:
<http://usda.mannlib.cornell.edu/usda>
2. Gopher client:
[gopher usda.mannlib.cornell.edu 70](gopher:usda.mannlib.cornell.edu)
3. Telnet:
[telnet usda.mannlib.cornell.edu](telnet:usda.mannlib.cornell.edu), and login as "usda" (no password is needed). This will connect you to the Gopher with the basic Unix client.
4. FTP:
[usda.mannlib.cornell.edu](ftp://usda.mannlib.cornell.edu), login as "anonymous" with your ID name or e-mail address as the password, then **cd usda/reports** or **cd usda/data-sets**.
5. Reports are also available through e-mail. For information on how to subscribe, send an e-mail to **usda-reports@usda.mannlib.cornell.edu** with no subject and the word "lists" in the body of the message (entered without the quotes).

For assistance with Internet delivery, call (607) 255-5406 or e-mail **help@usda.mannlib.cornell.edu**.

ERS-NASS Periodicals on the Call-ERS/NASS Bulletin Board

With a PC and a modem, you can use the Call-ERS/NASS bulletin board to stay informed about new reports and data products, get timely situation and outlook reports, and download samples of ERS data products, all at no charge. And get selected reports electronically days before the printed copy reaches your mailbox.

Call-ERS/NASS supports 1200/2400/9600 baud modems (8, N, 1) on 1-800-821-6229 or 1-202-219-0378. It is also available to Internet users: **telnet fedworld.gov**, login as a FedWorld user (free), and connect to "Call-ERS/NASS" today!

For assistance with Call-ERS/NASS, call 202-219-0758 or e-mail **pkorb@econ.ag.gov**.

ERS-NASS Periodicals on the USDA CID System

All NASS reports, ERS situation and outlook reports (or their summaries), and WAOB's *World Agricultural Supply and Demand Estimates* are also available immediately upon release through the USDA Computerized Information Delivery System (CIDS). For more information about this service, please call 301-306-8911.

Data Products on Diskette

ERS-NASS offers a wide variety of data products on diskettes covering all aspects of domestic and international agriculture, agricultural economics, and rural affairs. Most of these products are in Lotus 1-2-3 spreadsheet files for easy analysis with your favorite spreadsheet or statistical package. Other products are in ASCII text format or packaged with easy-to-use software you can install on your IBM-compatible computer. Data products are available on DOS-compatible 3.5", 1.44 MB diskettes and are Lotus 1-2-3 files (.WK1) unless otherwise specified.

NOTE: Data products are not returnable unless defective.

E-mail Addresses for ERS-NASS Information Contacts

Most of the specialists listed under our products and services listing by subject matter may be contacted via the Internet using the e-mail addresses following their names. The individual addresses should be followed by:

ERS (219- and 501- phone numbers): @econ.ag.gov
NASS (720- phone numbers): @NASS.USDA.gov
